

The Science Team @ Edge 21 present

The Technicians Summer Conference 2017

Core and More Practicals

Friday 30th June 2017
09.45 to 15.30 Arrival and Registration from 09.10

Great News! The Conference for Technicians is *ready to go*

Why attend?

This is possibly the largest event specifically organised for science technicians in the region. There will be a series of 'workshops', various exhibitions and plenty of opportunity for discussion to take place.

- To **celebrate** the huge impact technicians make in the successful work of the science department
- To benefit from unprecedented **networking opportunities**, sharing ideas with colleagues old and new
- To take part in a series of **practical workshops** looking at 'core practicals'
- For news of **CLEAPSS** updates
- For the latest information from exam boards regarding **core practical work**

At this time we have agreed attendance from:-

ALS Laboratories; Breckland Scientific Supplies; Chemgo; Classroom Medics; CLEAPSS; Data Harvest; Discovering DNA; IDS Education; Practical Action; Sci-Chem; Select Education; Timstar, and more to come!

Cost: £40.00 per person (£35.00 for each additional delegate from the same institution)

Refreshments will be available on arrival and lunch will be provided.

Venue: KE Sheldon Heath Academy, Sheldon Heath Road, Sheldon, Birmingham, B26 2RZ

Getting there could not be easier. There is plenty of car parking. If you prefer not to drive let the train take the strain. Lea Hall and Marston Green stations are 1.2 miles and 2.5 miles away respectively.

Buses stop right outside the school. Bus 17 from Birmingham city centre and Buses 71 & 72 from Solihull / Marston Green station
